Financial Policy

Thank you for choosing Retinal Associates as your healthcare provider. We are dedicated to providing the highest quality, most cost effective care, specializing in Diseases and Surgery of the Retina and Vitreous.

We participate in Medicare and Medicaid. We are happy to file private insurance claims for our patients and we participate in many plans. We ask that you assist us in maximizing your insurance coverage by cooperating fully in all referral, prior-authorization, and per-certification processes. Please be aware that all insurance carriers do not consider some services rendered a covered benefit. We are happy to file insurance in these cases, as a courtesy, but must ask for payment at the time of service.

Accurate, up to date information, is the patient's responsibility; please notify our office of any changes in your insurance or personal billing information. Please bring your current insurance card, or any other information that is required by you insurance carrier, to each appointment. Maintaining updated information ensures that your medical claims are filed correctly and prevents any unnecessary delays in processing your claim.

Payment for all co-insurance, deductibles, and non-covered services are due at the time of service, unless special payment arrangements have been made. Payments can be made by cash, check, money order, VISA, American Express, or MasterCard. We do not have a payment plan, but do offer CareCredit services. Please be aware that charges for anesthesia and ambulatory surgery facilities will be billed separately.

Again, we thank you for choosing Retinal Associates of Oklahoma.
